

**Cleaner, Whiter Clothes—
Less Labor on Wash Day**

Get the genuine—the can with the Quaker label.

With water first softened with Lewis' Lye—or with soap made according to the Lewis' Lye recipe, from grease scraps you'd ordinarily throw away—you can be sure of better results, and cleaner, whiter clothes next wash day.

Lewis' Lye

The Standard for Half a Century

is the acknowledged superior of any commercial lye obtainable at any price. Guaranteed absolutely pure and of full strength, it is the only lye made and marketed by manufacturing chemists, and is—

Unequaled for Cleaning, Making Soap, Softening Water, Destroying Vermine, Disinfecting, or as a Hog Conditioner.

Genuine Lewis' Lye is only sold in cans having the Quaker label as here pictured. Your grocer has it and vouches for its purity and strength. Write for free booklet of suggestions and new uses of Lewis' Lye in the home and on the farm.

SAYS GRAY HAIR VANISHES AFTER APPLYING SAGE TEA

'A Mixture of Sage and Sulphur Prevents Dandruff and Fall- ing Hair

When you darken your hair with Sage Tea and Sulphur no one can tell, because it's done so naturally; so evenly. It is also splendid to remove dandruff, cure itching scalp and stop falling hair.

Preparing this mixture, though, at home is a messy and troublesome task. For about 50 cents a bottle you can buy at any drug store the ready-to-use tonic called "Wyeth's Sage and Sulphur Hair Remedy." Some druggists put this mixture up themselves, but make it too sticky,

so insist you want "Wyeth's," then there will be no disappointment.

You just dampen a sponge or soft brush with "Wyeth's Sage and Sulphur" and draw it through your hair, taking one small strand at a time. Do this at night and by morning all gray hair disappears and after another application or two becomes beautifully darkened and more glossy and luxuriant than ever. You will also discover dandruff is gone and hair has stopped falling.

Gray, faded hair, though no disgrace, is a sign of old age and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur and you'll look years younger. Inquiry shows all pharmacists in town here sell lots of it.

Hints on Hair Health

If you use our treatment, we will either stop your hair from falling or pay for the treatment ourselves.

Dandruff is a contagious disease caused by a microbe, which if not removed causes baldness. This microbe often comes from a comb or brush belonging to someone else.

If you are troubled with dandruff, itching scalp, falling hair, or baldness, we believe that Rexall "93" Hair Tonic will do more than anything else to remove the dandruff, destroy the germ, make the scalp healthy and stop falling hair, and if there is any life left in the roots, also promote growth of new hair.

We believe that probably 65 per cent of the cases of baldness could be overcome if people would only use Rexall "93" Hair Tonic for a reasonable time, as directed.

We don't want you to take our word for this. We want you to test the merits of Rexall "93" Hair Tonic at our risk. If you use it and it does not give satisfaction, just come back to us and tell us, and we will immediately hand back to you the money you paid for it. You promise nothing, sign nothing and your mere word will be taken for it.

We are dependent upon your confidence and patronage, and we would not make these claims, or make this offer if we did not believe that Rexall "93" Hair Tonic is the very best hair preparation you can use. Two sizes of bottles, 50c and \$1.00.

You can buy Rexall "93" Hair Tonic in this community only at our store.

DRUNKS BEFORE THE POLICE JUDGE

John Murray, who claims to be a steeple jack by trade, is able to climb a steeple, flag pole or smoke stack, but he stated that, after taking a few drinks last night, he was unable to keep on the broad sidewalks of Ogden. He was arrested after he had done some considerable staggering in an effort to find his room. He explained all the conditions to Judge W. H. Reeder in police court this morning and remarked that it was such a good day that he should be out painting a smokestack, the contract for which he holds.

When asked if his spree of yesterday would not affect his climbing ability, he answered in the negative. He was given a suspended sentence on condition that he does not get drunk again.

George Riley, a regular visitor to police court, was present again this morning with a charge of drunkenness against him. According to George, he was walking up the street when arrested. Upon being questioned, he confessed that he was staggering but said the sidewalk was slippery and walking almost impossible.

Sergeant Peterson stated that Riley was unable to walk when arrested. He was found asleep on a cellar door in the rear of a saloon and was lifted into the patrol wagon.

Because George is such a frequent visitor to the court, the judge decided that imprisonment would do no good and he made Riley promise to report regularly at the station to assure the police of his behavior. The judge also expressed the opinion that the saloon men who sold liquor to the fellow could be prosecuted.

On recommendation of Assistant City Attorney John Heywood, the bail in the case of Jerome Pepton, charged with petty larceny, was reduced from \$100 to \$25. Pepton is charged with stealing one pair of calipers valued at \$1 from George Farrell, and to keep out of jail he was obliged to secure \$100 from friends.

He pleaded not guilty to the charge this morning and his case was set for tomorrow morning at 10 o'clock.

A negro, who gave his name as John Doe, pleaded not guilty to disturbing the peace and his case was continued until tomorrow morning.

According to the complaint, the negro refused to leave his seat in the passenger station when the janitor sought to sweep the floor and became abusive when ordered to leave the place.

NEW RULE ON RAILROAD PASSES

A. F. Brewer, superintendent of the Utah division of the Oregon Short Line, has issued notices to employees that advance information must be given to agents in order that passes may be issued in time for pleasure or business trips.

The method often employed of paying for transportation and then submitting a claim for a refund is discouraged.

Except in actual cases of sickness or death, the superintendent advises employees to wait for passes.

MOTOR TRUCK IS TO MOVE BAGGAGE

Because of the necessity for replacing ties and repairing steam pipes at frequent intervals, the space between all rails in the passenger yards will not be paved as was at first intended.

This fact, however, will not prohibit the use of a motor truck by the baggage department and from present indications one will be put in operation within a short time.

With the inauguration of the additional trains the force in the baggage room will be rushed more at train time.

CONSTRUCTING NEW TRACKS IN YARDS

Because of the additional length of freight trains now being handled in the freight yards at Ogden, it has been found necessary to extend one track 200 yards, practically making a new track.

The extension is being built upon a "stub" and will permit trains to be run in from both ends, greatly facilitating the handling of traffic.

The ties have been laid and the force will begin laying rails at once.

BRIGHT RED ON THE MAIL WAGONS

Uncle Sam has declared that all appointments to the running of the postoffice shall be of such "class" that the "dignity of the United States shall be upheld." Consequently orders have been sent out to the postmasters that the vehicles used by city and rural carriers shall be of a bright vermilion color and the harness for the steeds who draw the mail wagons shall be kept washed and blackened. No odds and ends of straps and hickies will be called a harness according to the latest dictates of Uncle Sam.

In compliance with this order, some of the wagons at the local postoffice have received their coat of paint and the drivers are now waiting for a sunny day in order to observe the effect of their startling color upon the beholders.

It will no longer be necessary for the rural carriers to carry a bell or whistle to announce their coming. With such a loud color adorning their vehicle, the countrymen will have their eyes placed in their parcels post mailing cases and money ready to purchase stamps while the carrier is yet afar.

If the day be exceptionally bright, the farmers are warned to don a pair of smoked glasses before gazing down the road for the approach of the mail man.

APRIL IN THE DISTRICT COURT

In the district court this morning Judge Harris set all the cases on his calendar for hearing in the April term and still had a couple of days to spare. A number of cases at issue were again continued for the term due to the inability of the parties to get ready for trial and some were passed to give the litigants an opportunity to settle their differences out of court, it being stated by the attorneys that there was a probability of making such settlements.

The evening service will begin at 7:30 o'clock. An anthem will be sung by the choir and Miss Rosamond Laird will render a solo.

SOCIETY

NINTH BIRTHDAY PARTY

Louise Planz entertained a number of her young friends Wednesday afternoon at her home, 2325 Lincoln avenue. It being her ninth birthday.

she was the recipient of a number of gifts from her friends.

The table decorations were white and pink carnations and smilax and a large birthday cake with nine candles on top. At each plate was a basket filled with nuts, candies, rabbits and little chicks with Easter greetings. All were away, wishing Louise many more happy birthdays.

CHILDREN'S PARTY.

Tomorrow evening the Order of Eastern Star will give an entertainment for the children in the Masonic temple rooms.

In addition to a musical program, delicious refreshments will be served. The program will begin at 8 o'clock and all visiting members are invited to bring their children.
